¹ Please note that NLRB Rules and Regulations Section 102.2(c) states that “[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance.” The due date for replies to oppositions to the motion for summary judgment and notice to show cause is September 11, 2020, and the request for an extension of time was filed on September 10, 2020, which is within three business days of the document’s due date. Despite this, there is no explanation in the request as to why the need for the extension was “not reasonably foreseeable in advance.” Nonetheless, given that there is no opposition to the request for the extension of time, we will allow the extension.
